

# BBC Taste of Birmingham

## VENDOR INFORMATION KIT

Nourish your  
soul with *MUSIC.*

### What is the Birmingham Boys Choir?

The Birmingham Boys Choir is a non-profit, civic organization celebrating 50 years. **We currently serve 150 choristers, ages 8-18.** These young men receive musical training in performance, vocal technique, and music theory as well as personal training through literature and valuable BBC life lessons. The benefits help them succeed musically, while preparing them as future leaders in our community. After all, the BBC is more than music, **it's training for life!**

### Why the Birmingham Boys Choir?

**This is your opportunity to change a life.** At a time when arts education is being reduced in our schools, this organization provides a much needed outlet for young boys to be mentored while learning musical and life lessons essential in becoming successful young men.

### What is the Taste of Birmingham?

This treasured annual event is our organization's main fundraiser. Twenty to twenty-five local, award-winning restaurants compete for the coveted **Iron Skillet Award.** The extremely popular event brings together the community for an evening of feasting and fellowship. The boys will sing, the crowd will thrum, and all the activity will draw the attention to you — our beloved vendors!

## WHAT DOES THIS EVENT BENEFIT?

- Music education for 150 boys. Including music theory, musical performance, technique and collaboration.
- Bridge the gap. It takes \$3,400 a year to train one boy for life and tuition only covers one-third of the cost.
- Funding scholarships for over 10% of our choir.
- Life skills such as self-discipline, honor, integrity, purity, kindness, truth, diligence, respect, reverence, and joy.

**Participation in the BBC Taste of Birmingham** is a great way to connect with potential customers while you compete for the coveted Iron Skillet Award. It also benefits one of Birmingham's most prestigious arts organizations. Read on to learn how you can be involved in this event.
